End of year report

Region 3

Well, this sure has been an eye-opening experience, to see how the board operates and see all the work and effort and time that goes into running a club like ours. It's very time consuming. I think one of the hardest duties would be attending the funerals and wakes of our brothers and sisters. Since September we have lost three brothers in region 3, one of which was our international chaplain whom I had known for years.

It's interesting to see how other states do things and I'm learning a lot. The board has been helpful (as has everyone else) to get me up to speed on what my duties are. And I have reached out to all the states I am responsible for. Region three has 64 chapters and 1304 members, covering 9 states.

I'm looking forward to attending the 2024 convention in Germany and the 2024 bootlegger in Columbus IN. And of course the 2025 convention in Peoria IL.
