Fellow Red Knights,

During the Fall Meeting the Board made selections for the Committee chairs for the new year, 2023. First, a special thanks to all the past committee members that served and put in time and effort to help grow the club. Secondly, thanks to all who expressed interest in serving on the committees. The committee chairs will be selecting their committee members and reaching out to them. The nomination committee is selected by the Board according to the by-laws. We look forward to working with each committee to help build our club even stronger.
