Fellow Red Knights,

The International Board has been notified by the 2023 convention host, Red Knights of Maryland, that they will be unable to host the 2023 convention. We, the board are working diligently to find a host for the 2023 convention. It is our intention to have a host within the next couple of months for 2023. The board will be working with the new host to assist them in any way possible. We will be posting the new convention location as soon as possible in order for the membership to make plans for the 2023 convention.
