

REGION FIVE REPORT

Another busy year has come and gone and an exciting one ahead. Just to recap last year I attended the Spring board meeting and also The Western Rally in Spokane WA.

The International Convention in PEI and the Fall board meeting. In Sept. I also attended the 911 Tribute ride in North Dakota. We reviewed the SOGs which took a great deal of time and are now posted on the web site with the updates.

I've been in contact with the Chapters in my Region by emails and phone with updates and have dealt with concerns that have arisen in the chapters.

I spend about 4 to 5 hours a week on board business and sometimes more when required.

I look forward to continuing to work for the better of the Order.

Respectfully Submitted,

Gil Rekken
Region 5 Director
