

REGION SEVEN DIRECTOR

In the year 2014 the Red Knights family made some happy and some sad memories. In June 2014 the Red Knights family lost one of their sisters. Pascale Fadier from chapter Belgium 4 deceased after a motorcycle accident. Red Knights and friends from all over Europe attend her funeral.

A remarkable number of Red Knights events all over Europe has been held in 2014. Our family is still growing. We got a lot of new chapters and MALs. A special thanks to everybody who works hard to promote our fantastic organization! In Region 7 (Europe) we are right now 29 chapters, 629 chapter members and 64 MALs.

Some European Red Knights traveled to Kanda to attend the annual convention. There was a lot of fun. Be brought "Looping Louie" to the hospitality room.

In the falls the annual European meeting was held in Bruegge / Belgium. Under the lead of their president Buba the whole chapter Belgium 2 and a lot of their friends spend a lot of time and work to organize and run this meeting. Thank you guys!

About 120 Red Knights from several European chapters, and as special guest founding father, life member and Region 1 Regional Director Norm Beausoleil attend that meeting. He is a celebrity in Europe. For the most European it was the first contact with a founding father of our Organization. Highlight was a police escorted ride to the center of Bruegge. Also an MAL meeting was held to elect an European MAL representative. Tom van der Kley, an MAL from Luxemburg was elected.

At the annual business meeting of the European chapters decision was made to establish an Iron Butt program for the European Red Knights. For more information about that program please contact the Europe Association.

Sisters and brothers, ladies and gentleman, this will be my last End of Year report as your Region 7 Regional Director. I will not running for re-election in 2015. But I ask you to support Pierre Halleux, president of the Europe Association, as the next Region 7 Regional Director.
Thank you!

Loyal to our duty,

Thomas "TomTom" Delboi
