## *Help-A-Knight Directory*

### **USING THE DIRECTORY**

The Canadian and U.S. entries in this directory are assembled in alphabetical order, according to state or province. For Example: New Brunswick, Canada is listed just before New Hampshire, US. Within each state or province, HELPERS are listed by town or city. The "Silver Helmets" from France are listed at the very end of the directory.

The HELP available is listed beside each HELPER's name by coded initials according to the legend below:

To receive HELP from another RED KNIGHT, first determine which HELPERS are nearest to your location. Next check the HELP CODE listed beside each KNIGHT's name to see which one can provide the assistance you need. Then call that KNIGHT **no collect calls please**-and explain your problem. Be sure to mention HELP-A-KNIGHT.

### **USER REPORTS**

So Red Knights International can assess the usefulness of the HELP-A-KNIGHT system, we ask you to let us know your experiences with it. In this directory you will find a Help-A-Knight report form. Please fill out a photocopy of this form return it to the Help-A-Knight editor if you ever request assistance from the Help-A-Knight system. This is not mandatory, of course, but it will help us determine how well our system works now and what improvements are needed for the future.

### **ERRORS & OMISSIONS**

If you spot an error in this directory, if you need to change some of your information, if you are listed but no longer want to be or if you are not listed but want to be, turn to the back of this directory. There you will find a form by which you can make changes to the next edition of this directory. If a phone call would be more convenient, you may call Bob LaFord in Petersham, Massachusetts at 978-724-3270. If you have Internet E-Mail, send information to: **rflaford@tiac.net**
