

Fellow Members,

As I look back at 2020 as Region 4 Director, I have fulfilled this position for one year. It has been different than a normal year due to the pandemic. This position has been challenging and very educational. I answer emails and questions on a daily basis. I spend at least 15 hours a week on the computer and taking care of Red Knight phone calls. As Region 4 Director I try to do what is best for the members. I myself may not agree on everything that is discussed or voted on, but we carry on doing the best that we can for the RKMC Organization.

The past year I have attended the International Board Meeting in Boylston, Massachusetts.

I have also attended majority of the zoom meetings. Last year we had a few rides for Red Knights Louisiana 1 Chapter. We also had our normal membership meetings and gatherings. I would like to welcome all new chapters, new members & MAL's to the brotherhood.

I am looking forward to working with RKMC International Board and members of Region 4.

Hopefully things start to get back to normal and we able to go on with the Dixie Rally, Spring Board Meeting, International Convention and the Annual Business Meeting.

On behalf of me and my family I would like to keep everyone in my thoughts and prayers. May God Bless Everyone especially the members that we loss and their families. I hope everyone has a good New Year.

Steven Guillot
Region 4 Director
