END OF YEAR REPORT 2020

Kiaora brothers from us down under,

Well 2020 is done and dusted and what a year it has been. A year of extraordinary events internationally which has had a huge effect on our families and Red Knight Chapters world wide Let's hope 2021 brings us all some stability.

For myself it's been an extremely busy year. With my work being affected by Covid lock downs and restricted hours of when we could operate in stores, 3am starts and out before stores opened. Jan my wife at home with a badly busted femur that had to be pinned requiring me to put my nurses uniform on and be chief cook and Bottle washer to look after her as well! Lucky I work from home when I am not out in my Territory

Highlight of the year was being appointed to the role of Region 8 Director which has kept me pretty busy since August. Jason Collins and Andy Young have been outstanding assisting me in this Role.

Early on I decided that I would need a wing man to assist me in my endeavor's and in September I advised all Chapters and MAL's that I felt the need to have a contact person in Australia to assist and guide me to ensure the continuing smooth operation of Region 8. I set up a new role in Region 8 for Australian Representative and called for Nominations for the Role following the normal guidelines etc.

We had to Nominees, Roger Kollenburg and Andy Young. The Final result was that Andy Young was appointed to the position. Andy's enthusiasm and willingness to assist me in the position as Australian Representative has been outstanding and much appreciated.

Myself and Andy have been working closely with all Chapters that were not in good standing encouraging them to pay outstanding dues and Rosters with some good success Australia 8 and Australia 20 back in good standing.

NZ10 and Australia 7 who's President has gone AWOL are a work still in progress but hopefully be sorted and back up to date very soon

We are also sending out lots of information to all Chapters and MAL's on how to get Rosters in on time and to the right person along with the easy ways to pay Dues.

Our informal Zoom meetings run by Andy on a Friday night are growing in popularity some great nights are had along with brothers and sisters joining in from America and some joining us in bourbon or 2 at 4am EST. Outstanding efforts.

Thank you all for assistance and I hope you all keep well and safe over the coming year

Yours Sincerely,
Ken Mahon
