Primary reason(s) for running:

*Serving Region 3 in this position the last two years has been one of the most rewarding, and on occasion most difficult opportunities I have ever had! We have gone from a region where we were always traveling outside to attend events to now bringing the entire Red Knights World into our region. Our newly formed tradition The Bootlegger Rally has brought our entire region together! This with the continued communication chain brought forth with the communication reform, we so desperately needed, I see so much more happening here in Region 3. I'm excited to assist our members in this awesome region go further! If reelected as Region 3 Director I will continue to be here for YOU, the members!*

Vision for future of RKIMC:

*Over the past two years the entire world has been flipped upside down. The club we were a part of when I was first elected Region 3 Director two years ago has changed in every way possible. When I ran last term, I put a large emphasis on communication reform across the region. This reform played a vital role in streamlining news and important messages from both the International Board to the members, and from the members to other chapters across the region.*

*During the times we are facing today its important to seek some sort of normalcy. Our new found normalcy over the past two years has been the young and growing Bootlegger Rally. This rally, which was first dreamed up at the WV State Association Picnic, has had two very successful events and we are looking forward to see what Indiana has to bring to our new Region 3 Tradition.*

*As Region 3 Director I will continue to serve each and every member with honor and integrity!*
