

Treasurer's Report – Convention 2021

Please accept this, my 2021 convention report as International Treasurer.

Since my last convention report, due to COVID restrictions I have been able to only attend meetings virtually along with several ad hoc conference calls along the way. I have been unable to attend any Red Knights Rallies or multi-chapter events beyond those that took place in Prince Edward Island.

Again, this year there were slightly reduced additions to rosters; however, with the reduced events, the increase was actually quite impressive. We had 16 new chapters join since the last convention.

Chapters have been very good this past year with submitting their quarterly roster updates, it's much easier when each one is a simple "no change" in the subject line. But even no change is good in these times. There was not an unusually high decrease in membership renewals at the beginning of the year. So, our numbers are staying healthy.

It has been my pleasure to serve you and I look forward to another year as your Treasurer. I look forward to getting back to in person meetings and rallies in the near future.

Sincerely
Scott Ryan
