Hello, all my fellow brother and sister Red Knights! It is with mixed emotions that I write this letter to you. As y'all are aware, I am stepping down from the board after 15 years serving this wonderful organization and creating a huge extended family along the way. I want to thank my beautiful bride Marie for all the support she has given me for all the late-night phone calls and text messages as well as dinner interruptions and vacation time spent at Red Knight functions. I could have not done any of this without her! I also want to thank you for supporting me in all my offices and I hope I have served you well, as I have only worked to improve our great club.

The office of International Secretary will not be able to order any new insurance policies unless payment is in my hands before August 10th. This is a Wednesday, and it gives the underwriters a couple days to complete the certificate as they are also aware that a change is coming. Any new insurance requested between now and convention will be held until after the convention and the new Secretary has taken over so the quote can be updated with a new address. This will occur sometime after the 21st of August. All current insurance policy holders will be receiving an email, shortly after convention, with an updated address to return the waivers to.

All TMLA's requested from now until our new Secretary takes over will also be held so the documents can be updated with the new Secretary name. All requests that I have currently have all been processed and will be mailed before I leave for convention on August 16th.

I ask for you to give our new Secretary the same patience that you gave me when I took over 6 years ago. It is an office with a large learning curve and a lot of little things behind the scenes that must be done just to get started in the right direction. Thank you all again and I can't wait to see everyone!

As always, keep the shiny side up and your knees in the wind!

ALWAYS, Loyal to Our Duty
