I attended the 2024 annual Red Knights international firefighter motorcycle club convention in Leipzig Germany. And I am looking forward to the 2025 convention to be held in my home state of Illinois. August 19th through August 24th, 2025. Illinois is working very hard to make sure this event is a huge success. With the cost of everything going up lately Illinois is trying to keep the event affordable for all of us.

Bootlegger 2024 was a success, and enjoyed by all who attended thank you to Indiana 1 and Indiana 2 for hosting the bootlegger rally. Bootlegger 2025 will be in Wisconsin on Labor Day weekend. I hope to see everyone there. The West Virginia State association is currently discussing hosting the 10 year anniversary of the bootlegger rally in 2029.

I attended the fall board meeting held in Baltimore MD on November 14th to the 16th 2024. It was very informative as usual and got to meet some of the new board members from region 6 (Brian Singleton) and region 8 (Andy Young).

On behalf of region 3 I hope everybody had a Merry Christmas. And that everybody has a happy and prosperous 2025.

Moon
