2016 Yankee Rally

New Jersey Chapter 31 is in full swing planning the 2016 Red Knights Yankee Rally. The Yankee Rally is the Northeastern Region Convention. But all Red Knights are welcome to attend. We would like to see you there!

The 2016 Yankee Rally will be held May 20-22, 2016 at the Bolero Resort & Conference Center, 3320 Atlantic Avenue, Wildwood, NJ. Reservations at the Bolero Resort are open. As a matter of fact, the hotel is already ½ booked! You can call them at 609-522-

6929. There are several room choices and the Bolero will be happy to guide you to the best room for you. Make sure when you call to let them know that you are with the Red Knights Yankee Rally.

We are expecting a large turnout and want to make this a weekend to remember! Remember Wildwood is a summer resort with activities and fun things to do for the whole family; world class boardwalk, amusements and entertainment. And don't forget about nearby Historic Cape May and all the wonderful tours, food and shopping. There are lots of fun things to do in Wildwood and Cape May, NJ! Check out their Chamber of Commerce websites at <u>http://</u>

www.gwcoc.com/ and http://

<u>www.capemaychamber.com/</u> respectively. There is so much to do, you may want to arrive earlier than May 20 or stay a few extra days.

Some of the fun events we are working on (but not all confirmed) are: an escorted ride on the boardwalk and another to the Willow Creek Winery. Friday, we hope to have a bonfire on the beach. Participate in the biker games on Saturday or enjoy them as a spectator.

We are also planning some "On Your Own" ride options. You can complete the 12 stations in under 2 hours or check out some of the great sites in southern New Jersey. Join the "Official 2016 Yankee Rally" event page on Facebook to stay in the know.

We Need:

- Chapter T-shirts from All Red Knight Chapters in Region 1. These will be made into a quilt. This was done last year and it was awesome. If your Chapter wants to include a t-shirt in the 2016 Yankee Rally Quilt, please mail it to: Yankee Rally Quilt, 162 Rail-road Street, Mechanicville, NY 12118. Deadline for t-shirts is January 1, 2016. We will be displaying and raffling this quilt at the rally.
- Auction Items. If you can donate an item, please contact Stephanie Fowle at 609-408 -3112 or <u>babymoosefatboy@hotmail.com</u>.
- Pictures: We would like to include everyone in our slide show. Please email pictures to <u>yankeerally2016@gmail.com</u>.
- Help During the Event: Want to help out during the event? That would be great! Please contact Stephanie Fowle at 609-408-3112 or <u>babymoosefatboy@hotmail.com</u>.

Atlantic Burn Camp for Children + Red Knights MC New Brunswick Chapter 1 + Residence of Kennebecasis Valley

Put this combination together and what do we have; YES a winner. This spring and summer, members of the Red Knights Motorcycle Club could be seen across the Valley selling tickets and spreading the word and good works of the Atlantic Burn Camp for Children for ages 6 to 17 who have been injured by fire or scalds. The camp is located outside of Sydney Cape Breton and has hosted children from all over Atlantic Canada FREE of charge. Monies that support the burn camp are donations from communities and people like the Red Knights MC NB 1.

2015 has been a great year for both organizations. The members of RKMC NB 1 stepped forward with a plan to secure as much monies as possible for the Burn Camp and at the same time spread the word to the public as to who we are and what the Burn Camp can offer. We decided to Raffle a TTR 50 children's dirt bike. Sponsored by Speed Sport Plus, Rothesay Avenue, Saint John. We started selling tickets at Rhoda's flea market then moved to The Atlantic Super Store. While there, we were approached by Peter Perry of Little House on the Perry who donated a Fire Truck Bed for the Auction at our annual Run for Sam (RKMC NB 1) fundraising event held on the second Saturday of August each year. Glenda Guitar, a sales lady and local artist who works at Little House on the Perry, overheard our conversation and donated a painting for our fundraiser as well. We also sold tickets in front of Princes Auto in Saint John.

At the end of our Run for Sam on August 8th 2015, we auctioned off the Bed, a Quilt made by member Karen Bedford, and a Rocken Indian made by our Quartermaster, Gord Taylor. The painting from Glenda Guitar was used as a door prize at registration. We also received a check from the New Brunswick Antique Automobile Club's 50/50 draw in Sussex and a cash donation from the Sam Kilpatrick family. Then, it was time to draw for the TTR 50. The bike was won by Gail Morton of Quispamsis who bought the ticket at the St. Martins car show accompanied by her Grandson. The bike was delivered that afternoon by Vice President Brian Hunter and member Jason Kilpatrick to a grateful Grandmother and speechless Grandson.

August 12th, Treasurer Jim Bedford and members of RKMC NB1 met with Nick Davis

and Debbie & John (Woody) Woodfine from the Burn Camp and presented the Atlantic Burn Camp with a check for **\$8,000**.

As President of Red Knights New Brunswick 1, I ask that all Red Knights Chapters in Atlantic Canada join us in assisting the Atlantic Burn Camp in fundraising for this worthy cause. Next year 2016, let's all get together and ride to the Burn Camp for the flag rising and present our donations together.

David Gallant, President, RKMC NB 1

There have been some changes in the European, Region 7. First, we see Thomas `TomTom` Delboi step down from his role as our Regional Director and hand over to Pierre Halleux.

After taking up his new post, Pierre tendered his resignation as President of the Red Knights European Association. All European members would like to congratulate him on his election as the new Region 7 Director. Pierre is certain to receive the full support of all Region 7 members.

We must also thank Pierre for all the hard work he has carried out as our President. We know he will work equally as hard as our Regional Director.

The European Association website has undergone an overhaul and is now easier to use than the previous one. Well done to all those who were involved in the work to bring the new

website to us. The link is: <u>www.redknightsmc.eu</u>

Since the 2014 European Meeting we have had five new chapters formed in Europe and all are welcomed into the Red Knights family.

RKMC European Association Meeting 11TH to 13TH September 2015

US Ambassador attends the European Meeting Witten by Thomas Delboi

This year from 11th to 13th September the annual European Meeting (Region 7 Meeting) was held in Sumiswald (Switzerland). It is also tradition at the European Meeting to remember the 343 fallen firefighters from the 9/11 attack. So, the Red Knights decided to invite Suzi LeVine for a 9/11 remembrance ceremony on 11th of September. Suzi is the US Ambassador for Switzerland and Lichtenstein and when she received the invitation from the Red Knights, she decided to change her agenda to attend the ceremony. It was also her wish to travel the last mile to the convention venue on a Red Knights bike. So, the Red Knights prepared a bike escort for her and she was able to ride with a joint state police and Red Knights escort to the convention where the Red Knights lined up outside to welcome her. The first speech at the ceremony was made by Red Knights founding father Norm Beausoleil, who was one of six American Red Knights who travelled over the pond to attend the European Meeting. The second speech was made by Ambassador LeVine and she said that she would like to travel more often on a motorbike, but because there are no armoured motorbikes out there for her it is not allowed. Nut escorted with Red Knights she felt safe. The third speech was made by European Chaplain Rainer "Padre" Lipp from Germany 1. At the end of the ceremony, the Red Knights Prayer song was played. It was a very respectful ceremony.

The Ambassador's visit was a big honour for the Red Knights and it is also a sign that the Red Knights are recognized as a serious organisation. A couple of days later I received a hand written card from Ambassador LeVine, with the golden Seal of the US Department of State ,which can be seen here.

US Ambassador Continued:

She wrote;

"There are times in life when you don't know quite what to expect, and then, when you get into the experience, it far exceeds your wildest imagination. The emotion, warmth, gracity, and joie de vivre of the event to which you invited me was one of those life experiences. It is something that I will remember, cherish, talk about, and seek to invoke for the rest of my life, never mind the rest of my time in this position. I really can't thank you enough for what you all have done and continue to do in your lives to keep people safe. I sure hope our paths cross again in the future! Sincerely Ambassador Suzi LeVine".

Dear Tonton, Daniel, Chr. s. a.g. Norm, There are times in life ahen you don't know quite what to expect and then, when you get into the experience, it for exceeds your wildest imagination. Wedding Celebrations for European Red Knights

Two of our European Chapters: Germany 6, Dinslaken and Switzerland 2, Thun, have celebrated the marriages of members since the Spring Newsletter and we send our best wishes to Jens and Marie Maltusch (Germany 6) and Thomas and Ramona (Rampi) Maurer (Switzerland 2) on their marriages.

Jens and Marie do it in style on `his` and `hers` Harleys

Thomas and Ramona are still dedicated to firefighting, even on their wedding day

Irelands 1's President, Anthony O'Donoghue Hailed a Hero!

The President of Ireland 1 is being hailed a hero after helping to save the life of a young English girl from a near drowning tragedy in Lanzarote.

Anthony was in the swimming pool of his hotel in Matagorda when he heard the father of the 11-year-old Newcastle girl calling for help. The panic-stricken father had spotted his daughter lying face down in the water and brought her to the side of the pool. Anthony, who retired from Cork City Fire Service last November, sped to

the scene and began to clear her airway. He and the pool lifeguard worked on the girl for two to three minutes, managing to resuscitate her before she was rushed to hospital by ambulance, she thankfully made a full recovery from her ordeal and returned to the same hotel as Anthony to enjoy the remainder of her holiday.

Modest Anthony, on the right in the photo with the new Region 7 Director Pierre Halleux said: "I was just lucky to be there at the time and to be able to assist with CPR. It was a pure fluke." Anthony was on holidays with his family when he was called in to action.

Germany 2

Our chapter, Germany 2 ,celebrated wits 6th chapter party with 100 visitors in July. Like last year, we collected donations for charitable purposes. €500.00 were donated for "Paulinchen". Paulinchen is an initiative for young burn survivors. The handover of the donation took place at the Lower Saxony Academy for Fire and Disaster Control. The same evening we held an information event about the RKMC for firefighters.

Representing the Paulinchen Board, Detlef Damaske received the donation from the President of Germany 2 Michael Pfoertner. Detlef Damaske is a big collector for Paulinchen and was very surprised and happy about the

donation. Following the presentation, there were several hours spent together at the barbecue where those present joined in song and informative conversation. At the information evening we brought many firefighters together and some of them will now find a new chapter in Celle.

Our next chapter party will be in July 2016, with

donation collection for Paulinchen again. You will find the invitation here. Of course everybody will be welcome.

Happy Birthday: Germany 3 is 5 Years Old This Year

Congratulations to Germany 3 who is 5 years old this year! They celebrated with another enjoyable and successful Sommerparty. Steffen (Villa) and Melanie are already planning for their Sommerparty 2016 so if you want more info take a look on their website <u>www.red-knights-germany3.de</u>

Germany 10

It has been a busy year for the members of Germany 10. They were involved with the organising of the Red Knights MC Stand at Hannover's International Fire Exhibition, INTERSCHUTZ 2015 where much needed funds were raised for their chosen charity; Paulinchen e.V. which is a charity for children burned in fire. This charity and the Ronald McDonald Kinderhaus Cottbus charity both benefitted from the work done by the chapter.

When not raising money they took time to embark on a motorcycle tour of Austria and Croatia. Members of Germany 10 President, Uwe Dahlitz handed over to Blue Knights Germany XXXI, one of their charity checks. President, Uwe Dahlitz also completed his second Grand Tour Master in two years.

From 8^{th} to 13^{th} of

June 2015 the Red Knights promoted their Club at the Interschutz in Hannover, Germany. Interschutz is world largest fire exhibition with 1.500 exhibitors

from 51 different countries. During the event, 157.000 people visit the Interschutz. The Red Knights exhibition was organized and planned by Uwe Dahlitz (President Germany 10) and Michael Pförtner (President Germany 2) with three goals in mind:

- Promote the RKIFMC. Most firefighters from Germany / Europe / Worldwide never heard about the Red Knights.
- Network with Fire authority's and associations.
- Recruit new chapters and MALs.

The Interschutz Was a Great Success for the Red Knights!

To follow Red Knight's tradition we worked on a charity project during Interschutz. There is a very popular local foundation to support children with burn injuries and their families that was present at the Interschutz also. On the last day on the Interschutz we were able to give them 1,424.31 Euro (= 1,617 USD). We invited many journalists to

the presentation of the money to Paulinchen. Many were very interested and most of them reported about the Red Knights. A number of people expressed an interest in

becoming a Red Knight member and eight people completed the MAL application on site, paid their dues and received the welcome packet with membership card. One of these new MALs is from Brazil and he is already starting to promote the Red Knights in his area. Hopefully he will charter a new chapter there soon.

Germany XI and Austria 2

During a motorcycle trip through Switzerland, Austria and Germany, Germany 11's Secretary ,Stefanie Behling (Dotty) and President Christoph Behling (Chris) visited Red Knights Austria 2 in the beautiful province of Styria. A problem occurred on the route to Austria 2, but their President, Martin, helped to sort things out. Upon arrival, the accommodations that Stefanie and Chris had organized by the Lake could not have been worse. The pictures on the

internet made everything look so romantic and beautiful but it turned out to be an absolute disaster. After immediate contact with the President of Austria 2, a wonderful accommodation in Lieboch was organized at lightning speed by him. In Lieboch, Stefanie and Chris received a warm welcome from Austria 2, spent a nice afternoon with them, and Stefanie and Chris were made members of Austria 2.

The 2nd day was spent sightseeing in Graz. In the photographs you can see Stefanie in Graz and at the clock tower on the Hill in Graz.

After breakfast, the 3rd day began with a ride on the bike, along with the President of Austria 2 to Graz. There they were joined by other members of Austria 2 who showed them around this beautiful city. This was followed by a great night with many of their members in the local Joe's New Orleans bar. They also visited the country fire service day in Gamlitz where they spent time telling people about the Red Knights and distributing flyers for Austria 2's upcoming charity ride in October 2015. The crowning moment of the day was meeting with other members of Austria 2 in their clubhouse where they spent their final evening.

Now unfortunately, the 5th day was the day of departure for Germany XI. Their visit ended with a surprise breakfast with members from Austria 2 and heartfelt friendships forged during the visit.

Conclusion: In the true spirit of the Red Knights, Austria 2 took a lot of time and effort to make sure their guests from Germany XI had a great time. Each took the time to meet the

guests from Germany XI personally and to make them feel welcome. Stefanie said that the members from Austria 2 are all very good chapters and exemplify what the Red Knights mean and stand for. Four really unforgettable days, with the result that Stefanie and Chris from Germany XI are now also members of this great and exemplary chapter; Austria 2. *Article written by Stefanie Behling (Dotty) Secretary Germany XI, (translated by Steve Williamson)*

The Fire Department of Faido Ticino had their 90th Birthday last year. For this event they created a very nice calendar for 2015 and due to their friendship with the Red Knights Switzerland 1 Chapter, they decided that the profit of that calendar would go to Switzerland 1's charity project "Burn Station of the Children's Hospital" in Zürich.

On June 21st we had a meeting with the Chief Doctor of the hospital and donated a check for 7000 Swiss Francs (about US\$ 7500). After a short visit to the ward and a picture outside, all participants met at our clubhouse for a nice BBQ. We want to thank the Faido Fire brigade who made this possible and our Member Mauro for initiating the contact.

This year we had our ride to promote safe and responsible driving on Sunday, June 21. Same as last year, it was in favour off our chosen charity "Foundation Alexine Clarysse".

In spite of the bad weather we welcomed 170 bikers. During registration they could enjoy coffee and cheese or bacon sandwich. Riders had the choice to drive one or both parts of the ride and the start and finish for both courses was at the fire station at Oostkamp. Both rides took riders along 80 km of West-Flemisch roads. At the halfway point the riders got free french fries with mayonnaise or ketchup, two drinks and could

buy a BBQ-sausage for a reasonable price. At the end of the day there was a performance from the band "Biteun". This band, partly firemen, gave a sensational end to this wonderful day.

On Saturday, September 26, a barbeque was given to thank the people who helped at the ride. We gave a check for 1,250 euro to the "Foundation Alexine Clarysse".
