5. On the grill

- Next year will be the year of elections for a new International President. Indeed, Chris Gadway will not stand again. I would like to thank him warmly for the work done and ask you to send him y(our) gratitude (president@redknightsmc.com).

- It will also be the year of the election of the Regional Director 7, our Region. In early February, I will make the decision to represent myself and this for the last time. Indeed, at the time of my first candidacy, four years ago, I had announced my intention to represent me only for 6 years maximum. It is important that everyone can participate actively in our Club life and I remain convinced that the new blood is always good. This does not disengage me from the help that I can bring to our motorcycle club. For both of these elections, YOU NEED TO USE YOUR OFFICIAL Red Knights EMAIL ADDRESS (<https://webmail.totalcomputingsolutions.net>). If you have lost your password, please ask a new as soon as possible to me or to George Colby : communications@redknightsmc.com

I wish you and your family an amazing Year 2019.
Be safe and take care of you.

Fraternally
